

Top student in India for IGCSE Maths. Well done Ananya Bhat.

Ananya Bhat and Gurbani Bhatia (both grade 11 IB students) top prize winners in the Goethe Institute Mumbai Schools German language competition.

GICLM has a special link with the renowned Goethe Institute from Germany. Our students regularly win prizes and special opportunities to further their learning at language camps and German universities. Here at GICLM all our students are skilled in English and at least one (often two) other foreign language upon graduation: French, German or Mandarin. In today's global economy, this will give our graduates an advantage in their careers.
