### Reporting and assessment

- All 'School Reports' are the same format and regular (circa 8 weeks apart) ie short version (achievement and effort grades + single target per subject). Completion time = 3 days max.
- Except for 'Exam Report' following major grade requirements eg mocks, end of year exams. Final report of year will be a final summative score and effort. Aim for 5/6 reports per year. No requirement for long written comments.
- AIM: single page document. AIM: Report is cumulative over time and shows ALL the previous achievement and effort grades.

### Reporting Preparations

- Staff OBLIGATION to complete 2 assessments per month as appropriate (ie. NOT necessarily tests) to track progress. Entry on Managebac is AUTOMATIC.
- Mock exams: IGCSE pattern continue as current model (two mocks annually: G9 and 10 exams pre Xmas and end year). Grade 11 as per IGCSE. Grade 12 ONE mock only to be taken in March of G12. Coursework calendar changed to pre load deadlines before December. All examination syllabuses finished by 31 Jan G12.
- SPTM: (Student Parents Teacher Meeting) Will not always follow exam sessions (except for G9-12 which would be an exam and progress review). SPTM meetings are at progress points over year.
- Settling in reports for all NEW STUDENTS after 1 month of joining (unless school report within 2 weeks). Format continue as currently = Subject Effort Grades and short written comments from Form Tutor about how child has settled into school
- Total = 10 points of reporting communication with community
- AIM: Report is cumulative over time and shows ALL the previous grades
