Dear Parents and Grade 12 students

IB Examinations and Coronavirus COVID-19: Update

Yesterday we received an update from IBO. I reproduce the key comments that appear on their website:

How the Final Results Will be Calculated

We will be using vast historical assessment data to ensure that we follow a rigorous process of due diligence in what is a truly unprecedented situation. We will be undertaking significant data analysis from previous exam sessions, individual school data, subject data as well as comparative data of schools who have already completed uploading requirements and those who have not.

Please be assured that we have completed all uploads of IA's as required. The IBO is still targeting the publication date for IB grades as 05 July. Any changes will be communicated.

As decisions about university choices begin to form I would like to remind you that the UGC, IB Coordinator and myself remain available throughout this period to conduct discussions over the internet and answer questions. Please do not hesitate to contact us and keep us in the loop with any offers or updates that you receive from universities.

I sincerely believe that your progression to a suitable institution will not be affected.

Continuing best wishes and safe lives to all families.

Yours Faithfully

Head of School, Garodia International Centre for Learning, Mumbai
